Headteacher's Message

Year 1 had quite a shock this week when they discovered a crashed spaceship! They investigated samples from the crash site and created missing alien posters, which have been distributed around school – keep your eyes open and let Year 1 know if you see any unidentified flying objects this weekend!

Year 6 had a wonderful week at Carlton Lodge – there were many tired but happy faces on their return home. It was a privilege to be invited and I loved every second of it – even gorge walking! I would like to thank Mrs Fountain, Miss Kane, Mr Gleeson and all the children for making it such a memorable week.

Next Friday, 19 October, is our Harvest Festival. This year, for the first time, our KS2 Collective Worship Committee will be leading the worship rather than the whole school presenting their learning. A detailed letter will be sent home with information about contributions. But just to summarise, please bring your tinned contributions to us on Thursday after school and fresh produce on Friday morning.

Finally, our parent appointment boards will be in the entrance on Monday morning in preparation for the parent consultation evenings. As in previous years these will be held in the hall. Appointments last 10 minutes so we ask that if there is a matter of a personal nature or you require a more in depth meeting that you request a separate appointment with staff at a later date. Please feel free to spend time looking at your child's learning in the classroom or bring their learning to the hall if you would prefer.
