Awe is the beginning of Wisdom, Awe is the beginning of Education.

Deputy Headteacher's Message

The weather has certainly changed this week and been miserable and grey. But this hasn't dampened our children's smiley faces and enthusiasm to learn. We held an open morning on Thursday and I was as proud as ever to see our children engrossed in their learning as I showed prospective parents around.

Reception have had a Clevertouch screen put into their classroom this week. They can now access online activities to support curriculum areas such as Phonics and Maths. This is our fourth Clevertouch screen in school, only made possible through funding from the PTA. Your attendance and donations to support PTA events enhances the resources we can offer children in our school. We are so grateful for your participation, as well as the PTA's hardwork and organisation of all fund raising events. Please read the box overleaf on new ways you could support the PTA. Easy Fundraising is something we could all sign up for.

At the end of last week Year 3 and Reception made Diwali lamps. Year 3 used clay to form Diya lamps and Reception developed their cutting skills using paper.

Weekly prayer

Dear God, May my day be filled with awe and wonder. Teach me something new. Show me something spectacular. May I merit your love, merit your grace and merit your mercy. Amen

Year 5 have had a Planetarium visit school today, as part of their 'Stargazer' learning theme. They were amazed by the constellations and images of the planets. The children asked very interesting questions and listened well to the information they were given. It was a great experience of Awe and Wonder, our new Christian Value this half term. The company owners commented on the children's wonderful behaviour and strong interest the children displayed.

Mrs Fountain commented on the maturity of two pupils in Year 6 who gave their class a coaching lesson on some Maths this week. Navraj and Rohan took the place of Mrs Fountain for a short time and delivered strategies to their peers extremely well. Children who share their learning in this way demonstrate a deep understanding and it's a brilliant opportunity to give children a voice.

I'm sat listening to some wonderful Christmas songs and it's only November! This is the sound of the KS1 and Reception Nativity rehearsals which are now underway. The children have been getting together in the hall to practise the performance and it sounds great! A letter about tickets and how to purchase a copy of the video will be sent home soon.

Lastly is a request for volunteers to help us walk to church on Friday 30th November. We set off after register and are usually back before 10am. We need more adults to join us or the visit to Church will not be able to go ahead. Many thanks in advance if you can help us.

PTA News

Shop online. Raise donations. For free.

Have you heard of, or signed up for, EasyFundraising? It's an easy and fantastic way to do online shopping and raise funds for school at the same time. Simply join the company using their website and access shopping websites through their page. Companies offer a variety of percentages on the items you purchase and then the PTA receive the payment. It's as easy as that! Check out www.easyfundraising.org.uk and sign up today!

We are also searching for any companies you may be in contact with who offer 'Match Funds'. Again this is a super easy way for school to gain extra funding for the PTA. Please contact us if you can help with this.
