

‘God did not give us a spirit of fear, but of power and love and self-control’ 2 Timothy 1:7

Headteacher’s Message

It has been an exciting and successful week for Year 3. On Tuesday, Year 3 had some visitors from the University of Leeds’ Earth Sciences department. They completed two activities with them. The first was testing the different force it takes for a volcano to erupt using party poppers! The second was all about earthquakes, for this Year 3 became earthquake engineers and had to build a structure that would withstand an earthquake!

On Wednesday they presented their Collective Worship to the rest of school. Their message of ‘self-control’ was very clear and supported all those keeping their Lenten promise. We all loved the song they introduced us to - I’ve already seen the actions being rehearsed and catchy lyrics being sung around school – certainly a new favourite!

Parent Consultations take place on Tuesday and Wednesday next week. Please remember these are 10 minute slots which will take place in the hall. You can view your child’s learning in the classroom either before or after your appointment.

Year 4 have been diving into their learning recently for their topic – Under the Ocean! Last Friday afternoon they were dissecting fish, fascinated by the organs and bone skeleton and then on Monday they measured the length of different types of shark in the playground and compared them to human measurements.

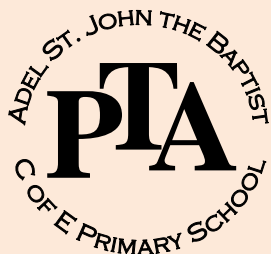

Jane Hainsworth, Headteacher

Prayer

*Dear God,
Help us to be self-controlled in our difficulties.
Help us to control our actions and words.
There are some times that we need your help with self-control but we know that the Holy Spirit inside all of us is there when we need it.
Lord please accept our prayer.
Amen.*

School starts at 8.50am and we expect all children to be on the playground (KS2) or outside the classroom (KS1 & Reception) before this time. Learning starts promptly and by 9.05am children have already spent 15 minutes consolidating or improving that week's learning. Arriving even a few minutes late can mean children are missing valuable minutes of their education. We are now currently monitoring the number of children who arrive between 9.00 and 9.05am in our efforts to improve punctuality.
