

"The only person you should try to be better than is the person you were yesterday"

Headteacher's Message

This week we have been making the most of the lovely weather and getting outside, with nearly every class using our wonderful grounds to further their learning. Reception put back all the snails that they had collected last week and also enjoyed using the parachute. Year 1, Year 2 and 4 have been enjoying gardening in the conservation area and our newly filled allotments.

The children have also started to use the playing field during playtimes so on Wednesday my assembly was about keeping ourselves safe. Our children are regularly reminded by staff on how to stay safe outside, but as part of our safeguarding procedures for using the supervised adventure playground and outdoor areas, we formally remind the children of the rules during a whole school assembly. **The children were reminded that they are not allowed to play on the adventure playground or with school equipment before or after school.** We are conscious that if children are not closely supervised at that time it may lead to accidents or behavioural incidents so please ensure that your children are with you at all times when you pick them up. Please could you pass this information on to anyone else who may be picking up your children.

Finally, our Year 6 children are preparing for their SATs which start on Monday so I know you will all wish them the very best of luck.

Jane Hainsworth, Headteacher

School Menu

A few months ago, the Council Catering Service asked if we would like to take part in a trial where children were offered a starter at lunchtime rather than the traditional pudding. Liaising with their nutritional expert, we took this to the School Council who, armed with sample menus, then asked all those children taking up a school dinner for their thoughts. The result was strongly in favour. Having discussed this with Jane in our kitchen we will be trailing this for the next half term and replacing puddings on a Tuesday and Thursday with a starter. Sample menus are on the website for you to see. After the half term, School Council and myself will be evaluating the results and reporting back to the Council Catering Service.

Congratulations to Arabella in Year 1 who impressed Rev White last week with her explanation as to how the date of Easter is decided. He had set the question in Collective Worship and Arabella had researched and written up an explanation for him. Well done Arabella.

Weekly prayer

*Dear God
Help us to recognize the dangers around us.
Be with us today in our work and in our play.
Teach us to be sensible and please help to keep us safe.
Lord hear my prayer*

Amen.
