Have patience, all things are difficult before they become easy.

Headteacher's Message

If you are in Leeds City Centre in the next few weeks please make a trip up to the Civic Hall to see Benji's and Lily's fantastic Leeds in Bloom designs. Both children were winners of the Leeds in Bloom city-wide competition to design a flowerbed. There were over 2,500 entries and the organisers commented that it is unheard of to have two winners from one school. The beds are planted in the gardens to the right hand side of the Civic Hall building; they are very striking and certainly brighten up the city-centre. On Wednesday Miss White and I were invited to celebrate with Lily, Benji and their families. They met and had lunch with the Lord Mayor, received a personal prize and Adel St John also received £600 to spend at a garden centre.

This flower bed was designed by Ben Swales age 10 of Adel St John The Baptist CofE Primary School

This flower bed was designed by Lily Robinson age 8 Adel St John The Baptist CofE Primary School

Weekly prayer

Dear God

Help us to remember to have patience. Sometimes we need to respect the fact that we have to wait.

In the bible Jesus always had patience in his heart and that helped him to become even greater. Always give people a chance to do what they need to do because whatever you do is worth waiting for.

*Lord please accept our prayer
Amen*

Reception spent the day at Piglets Farm yesterday, the weather was kind to them and they thoroughly enjoyed their time learning about the farm.

Finally, we were due to walk to church this morning but due to highways issues we invited Rev White to join us and celebrate St John the Baptist Day. Please see right for details of the celebrations at church this weekend. Have a lovely weekend.

Calling all Entertainers

A new series of the hit ITV show - Little Big Shots hosted by the simply lovely Dawn French is back shining the spotlight on more amazing kids.

The programme simply celebrates young talent and funny, entertaining children – from teeny tap dancers to dinosaur experts, from viral superstars to acrobats, impressionists to comedians, from superb singers to Rubik's Cube speed champions, mathematicians to sensational spellers. It is not a competition or game show. Whether

individuals, duos or groups of youngsters, the only rule is that the child is between the ages of 3 and 13.

The producers are looking for performers and skills of all kinds and would love to know if parents / carers think there might be a potential Little Big Shot in their family who they may wish to nominate?
