

With love and patience nothing is impossible

Headteacher's Message

Please come and join us tomorrow for our Summer Fayre. There are lots of reasons why you should join us and here are just a few:

- The children of Adel St John will be opening the fayre with a special dance they have been learning in school. Please ensure you arrive before 12.15pm and congregate in the KS2 upper playground. Can I just clarify the children DO NOT come in uniform.
- This year the Summer Fayre brochure will include a summary of your child's year. Written by the staff it will be a lovely memento, especially for the Year 6 children.
- There are lots of stalls and games to join in and some fantastic raffle prizes.
- The sun IS going to shine!
- It is your chance to vote on which teacher will be gunged and then watch it happen!

Most importantly, supporting PTA events means that we can provide our children with extras in school – the icing on the cake – which means the learning and enjoyment of school, are made even greater. The PTA has provided funds for new playground markings – these were asked for by the school council and have provided fun and learning outside. They have paid for cookery equipment and the upgrading of the allotment beds. In previous years our adventure playgrounds, our KS2 library and computer equipment were funded by you at events like the Summer Fayre. In advance thank you from all the staff and children at Adel St John.

Year 3 are currently on their trip to the Humber Bridge. They went prepared for the bad weather, so I know it won't have spoiled their fun and learning. I'm sure you will have heard all about it by now.

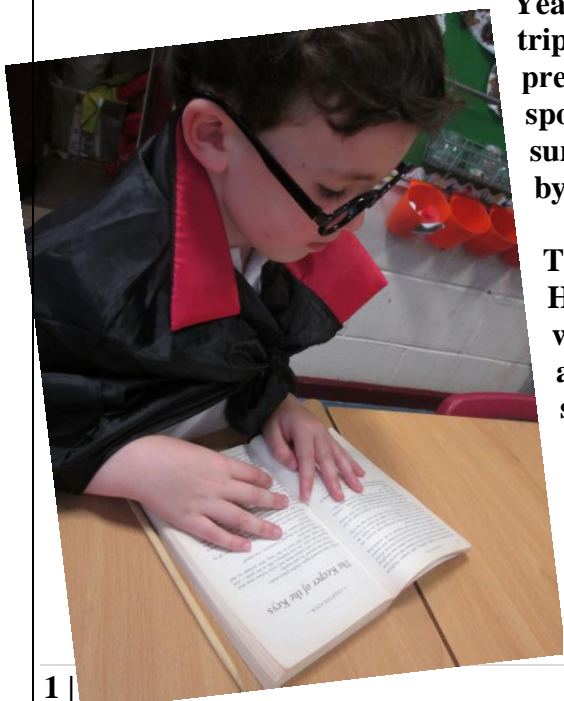

This week ASJ turned into Howarts – there were witches, wizards, elves and Harry Potters at every turn. The morning started with all KS2 children being sorted into houses with the sorting hat, they then experienced learning in each of the Slytherin, Hufflepuff, Gryffindor and Ravenclaw classrooms. All the learning was

literacy related and certainly inspired the children.

KS1 designed potions and learned an extract from Macbeth; KS2 wrote descriptions of their suitability for different houses and persuasive posters to entice a wizard to try their wand. There were lots of spells written during the day and Reception created some wonderful artwork, printing Harry Potter's glasses and scar.

The atmosphere in school was fantastic and the children loved celebrating the Harry Potter 20 year anniversary.

Golfing success

Congratulations to Abigail in Year 6 who last weekend became Yorkshire Girls Nett champion after playing 2 rounds in a day. She carded an impressive 70 and 69 to lift the trophy. Abigail was the youngest in the tournament field by 4 years which makes this success even greater. Abigail we are so proud of all your achievements – congratulations.
