

Great things come out of patience

Headteacher's Message

We may be getting closer to the end of the academic year but Adel St John has not slowed down their enjoyment and achievement of learning.

Our Year 6 children have been experiencing transition days at their future high schools while our newest of children enjoyed a morning in Reception.

Gabriel, Zaine, Ellie and Evie in Year 5 showed such an interest in the recent General Election and our election process that they were chosen to represent Adel St John in a visit to Leeds Civic Hall for the Leeds Youth Summit. They had an extremely interesting day learning about democracy and voting. They had a tour of the Council Chambers, where they were able to put questions to the Lord Mayor! The children learned the word 'democracy' comes from the Ancient Greek 'Demo-Kratos' meaning The People Rule and that Leeds is represented by 99 Councillors. On returning to school they immediately wrote to the Lord Mayor asking her to visit our school.

Year 3 had a wonderful day at the Humber Bridge recently. It really inspired their learning in class and this week they worked in groups to create bridges from a variety of materials. The winning group pictured here included all the necessary features of a bridge and it didn't fall down!

Year 2 have been looking at life in rockpools this week and made their own colourful creations. Their classroom is full of fantastic learning

A huge thank you to everyone that attended the Summer Fayre, the weather was kind to us

and a great day was had by all – even those who were

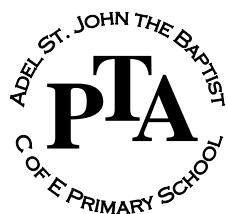

gunged!! The PTA work so hard in organising these events, they give up so much free time and we are very grateful to them.

Finally, as we prepare to bid farewell to our Year 6 children, we will also be saying goodbye to Mrs Haley as she has decided to start her own business – we wish her lots of love and luck in her new venture and thank her for all her hard work at ASJ.

Sporting competition

Gemma and Mason in Year 6 joined a competition with a difference this week. They had lots of fun trying out a cardio wall in a competition with other primary schools in our Family. Mrs Starkey was very impressed with their fitness levels and has requested one of these machines for our staffroom.

PTA GOOD NEWS!

Asda support the community in various ways and we have been successful with

the green token scheme at our local Asda (Adel)

Please support our PTA when shopping at Asda and put your green tokens in.

Prayer

Dear God,

We thank you for all that we have learned so far this year.

Thank you that we have moved on in our journey of learning.

We thank you, too, for our journey in coming to know you.

Please help us to keep asking questions

as we seek to learn and know more about the truth.

Amen.

Dinner Money

As we near the end of this academic year please ensure that outstanding monies for school lunches are paid by Monday July 17th at the latest. This will enable the school office to bank all money before the close of school on Friday July 21st. Thank you.

School meals are £2.05 per day, £10.25 per week for pupils in Years 3, 4 5 and 6. Parents paying weekly should always send dinner money in each Monday morning. Cheques should be made payable to Leeds City Council. Thank you. **Anyone wanting to change from school meals to packed lunch and vice versa, the office requires a half terms notice.**

Please note from September 2017 the cost of school meals will increase from £2.05 to £2.10, per day.
