

Headteacher's Message

Even in the final few days of a half term we continue to ensure that every day is filled with creativity and learning.

Year 2 have been busy outside this week, they have been planting sunflowers as well as creating rainforest collages. Year 6 are having a science week, enjoying learning about the digestive system (with a realistic if somewhat nauseating experiment as seen in the photos!), the circulatory system and the eye amongst other things.

Year 4 took part in a skipping festival against 4 other schools. They all competed in different events, individual, group and whole class skip dance. It was an amazing atmosphere and the children were all buzzing with excitement. They showed great team spirit and all encouraged each other. All of our week's hard work paid off and we were overall winners and are now through to the final to be held at Beckett University in July. Excellent stuff! Well done Year 4.

Thank you to all those who joined in *Walking to School* this week. The weather was fine this year for launching our week-long initiative. Mrs Starkey has been collating the results of those children who have walked, scooted, biked to school this week. There will be certificates and prizes given out after the holidays, but in the meantime, the results for each class add up as follows:

Rec – 93 Yr 1 – 96 Yr 2 – 117
Yr 3 – 80 Yr 4 – 91 Yr 5 – 81 Yr 6 – 112

Some classes have joined in a poster competition to promote more active ways of travelling to school and these have been sent on to Leeds City Council for judging. Good luck to those classes that took part.

Finally, we say goodbye to two of our children today. Youssouf (Yr6) and Sofia (Rec) are leaving to join a new school. We said our goodbyes this morning, presenting them both with cards and a prayer book. We wish them lots of love and hope they come back to see us in the future.

Have a wonderful half-term break and we will see you in school on Monday 4 June.
Jane Hainsworth

Prayer

Jesus help my eyes to see all the good you send for me.

Jesus help my ears to hear calls for help from far and near.

Jesus help my feet to go in the way that you will show,

Jesus help my hands to do all things loving, kind and true.

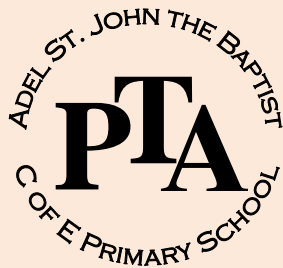

Amen.

When broadcasting over the Internet, it's easy for young people to feel safe due to physical boundaries. People may attempt to trick, blackmail or coerce children during a time when their typical defences are down, and this may lead to riskier behaviour. In cases of online grooming, predators have targeted children and used trickery and grooming techniques to get them to perform acts in front of the camera. **Children may not have an understanding of how what they are broadcasting could be saved and shared further and they may not know that people watching may not be who they say they are.**
