

Clap for our Year 6

Headteacher's Message

Every Thursday we clap ever loudly for our key worker heroes. Last night was slightly different though - last night I clapped for our Year 6 children who would have completed their SATS if they had been in school. Yesterday, they would have finished their Mathematics 3 paper and cheered so loudly that everyone in school could have heard.

Year 6, we are incredibly proud of the progress you have made academically and personally. Whether you were keen to sit the SATs or not, we know that they were an important moment in your school lives just as the cheering at the end of it was!!!

We know how hard you have worked, it is important to mark that commitment. Keep being brilliant our ASJ heroes!

**Jane Hainsworth
Headteacher**

The decision by the government this week to invite Reception, Year 1 and Year 6 children back into school has resulted in many hours of discussion and planning. This is, of course, taking a great deal of my time. With this in mind I hope you understand why this newsletter is so brief.

Dear Reception, Year 1 and Year 6 parents
Thank you for your responses regarding 1st June and also for your kind words of support and understanding during this difficult time, it really is very much appreciated.

We are sorry that we have not been able to respond to individual queries and we do understand that everyone has concerns and reservations but the main purpose of the exercise was to gauge numbers for planning purposes.

Our analysis and planning is ongoing and we are not yet in a position to advise how, or if, we are able to support additional pupils from 1st June. Once we have completed this process we will be in touch again.

Home Learning will continue to be available for ALL pupils not attending school, either before or after 1st June (with the exception of the half term break).
