Headteacher's News

Science Day: The wonder of flight Yesterday, we had a day celebrating the awe and wonder of science by investigating the flight of paper aeroplanes. Exploring how the size, shape, weight or type of paper affects the distance, the children devised and planned their own investigations. The day culminated with a whole school grand flight competition to see which aeroplane design would fly the furthest. George, from Year 4, won with his design. A huge thank you to Miss Dakin for organising such a fantastic event.

Queen's Platinum Jubilee Celebrations On Wednesday 25th May we will be celebrating the Queen's 70 years on the throne. For the day, we are asking children to come dressed in red, white and blue.

Each class has been allocated a decade during which the Queen has been on the throne. The children will explore the music, fashion, historical events and key people of their classes decade. For lunch, children on school dinners will be having a special Jubilee inspired meal. Those on packed lunches might like to have something Jubilee inspired like Victoria sponge or Coronation chicken. To end the day we will be hosting a celebratory tea party with music, games and much flag waving.

School allotments Across school, classes have sown seeds for a variety of vegetables and herbs. Once the risk of frosts has abated, the children will plant out in our raised beds at the side of school. We would really love to grow strawberries too, but as these are difficult to grow from seed, we would really appreciate if any parents and carers could send in a strawberry plant with their child.

Year 6 SATs Café Our Year 6 children are taking their SATs tests week beginning 9th May. To start the day, we are offering a SATs Café to all our Year 6 children from 8.20am to 8.50am. Year 6 parents and carers, a letter will be coming home today about the SATs Café. Please return the reply slip so we can cater accordingly.

Collective Worship

Monday's collective worship focused on St George's day. The legend of St George slaying a dragon was shared. We discussed what we could learn from the story: to conquer our own dragons we need to be brave, try new things and ask for help!

On Wednesday, the Rev'd Alison's discussed the meaning of our current value of faithfulness, linking this to the Easter story.

Dear God,
Thank you for our wonderful school and all the excellent learning we do here.
Thank you for all the staff and the help they give us.
Forgive us for the times when we don't do things right, as we forgive others too.
Help us to keep our school rules and to respect everyone and everything in the world around us.
Help us to treat others the way we want to be treated ourselves.
Lord, please accept our prayer. Amen.

Leeds CAMHS Crisis Call

0800 953 0505

A helpline for under 18s
Every day 8am-8pm

NHS
Leeds Community
Healthcare
NHS Trust

Are you a parent worried about your child? Do you know a young person struggling to cope? Are you unsure about how to help them and need some guidance and advice? The NHS in Leeds operates a Freephone helpline for under 18s between 8am and 8pm every day. We offer young people and their families or carers advice, support, someone to listen, or signposting as appropriate, regardless of the circumstance.

You will be put through to a skilled crisis advisor who will listen and talk through concerns, support and will provide practical advice on what to do next. Our team offers in-the-moment support and efficient response for anyone up to the age of 18 during moments of distress, ensuring that immediate access to help will be provided if necessary.

Leeds CAMHS Crisis Call Helpline is open 8am – 8pm, 7 days a week, 365 days a year. You can call us for free on **0800 953 0505**.
